THIS MATTER is before the Court on consideration of Plaintiff's motion to compel documents.

On June 5, 2014, Plaintiff's pro se complaint, which he filed pursuant to 42 U.S.C. § 1983, was dismissed without prejudice as being without merit. Plaintiff did not appeal the dismissal. After the complaint was dismissed and this civil action closed, Plaintiff filed the present motion to compel documents. The Court finds, however, that, as there is no pending civil action, Plaintiff's motion to compel will be denied.

IT IS, THEREFORE, ORDERED that Plaintiff's motion to compel is **DENIED**. (Doc. No. 12).

Signed: March 7, 2015

Chief United States District Judge
